Skills

- Critical thinking and persistent problem-solving abilities
 - Cooperative with others on projects and discussion
 - Adaptable and excited to learn
-

Awards

-
- An organized and driven student majoring in Electrical Engineering and looking for a part-time job or internship with a company to expand my knowledge of engineering, develop connections in the field, and provide my skills for high-quality work wherever it is needed.
-

- awarded the presidential scholarship at Tennessee Tech for prestigious academics
 - Knowledge in C++ alongside a certification in AutoCAD Inventor
-

Experience

- 4+ years of engineering work, including circuit work, code, and drawings.
 - Solved problems with Electricians for a hospital
 - Taken on multiple college workloads during high school
 - Completed projects such as a self-driving small car with a team, soldering a random number generator, and an automatic plant watering system
-

Walmart

November 2022 - July 2024, 175 Beasley Dr, Dickson, TN 37055

- Worked with a cash register and provided excellent customer service daily
 - I was hired in the electronics department based on my knowledge of tech
 - I parted ways to pursue my career in electrical engineering at Tennessee Tech
-

Tristar Horizon Medical

September 2023 - April 2024, 111 US-70E, Dickson, TN 37055

- I was given the prestigious opportunity to intern as an understudy for their plant operations department
 - I worked with multiple Electricians and HVAC professionals during my high school senior year through hands-on work and teaching
-

Education

Dickson County High School

August 2020 - May 2024, 509 Henslee Dr, Dickson, TN 37055

- I graduated 16th in my class containing over 300 students
 - I accumulated 25 credit hours from colleges such as Austin Peay and Nashville State.
-

Tennessee Technological University

August 2024 - Present, 1 William L Jones Dr, Cookeville, TN 38505
