Skills

- Critical thinking/Problem solving
- Adaptability
- Attention to detail
- Team collaboration

Experience

-
- Aspiring electrical engineer currently studying at Tennessee Tech University, passionate about developing innovative solutions and eager to gain hands-on experience in the field. Highly motivated to apply academic knowledge and technical skills to real-world projects, seeking a summer work opportunity to further enhance my expertise and contribute to impactful engineering initiatives.

-
- About 4 years of engineering coursework in high school, learning basic circuitry, simple coding, soldering, technical drawings, AutoCAD Inventor, and basic engineering mathematics
 - Completed projects such as soldering a random number generator, making and programming an elevator, and an automatic plant watering system

Education

Dickson County High School

August 2020 - May 2024, 509 Henslee Dr, Dickson, TN 37055

- Graduated 3rd in my class of almost 400 students
- 4.0 GPA
- Took multiple AP, DE, and Honors classes

Tennessee Technological University

August 2024 - Present, 1 William L Jones Dr, Cookeville, TN 38505

Awards

-
- Math Departemental award
 - Science Departemental award
 - Band Departemental award
 - John Philip Sousa award
 - Semper Fidelis award
 - Won multiple math competitions
 - Allen Heritage Foundation Scholar
